SENIOR STANDING COMMITTEE

FALL

Coming back to school in the fall of '47 the newly elected officers of the Senior Class eagerly began to plan for an all important year, the last of their high school life.

At the close of the Junior year the class had ordered their Senior sweaters. Breaking away from traditional red and white sweaters, this year's Senior donned a pearl-grey sweater with a red numeral block designed by Paula De Carlo.

In November the Seniors with the highest scholastic standing took the Pepsi Cola Scholarship examinations. They were Wayne Kennedy, Jensen Young, Christine Christensen, Dick Mathews, Ed Gardner, Julia Rice, Harold Hildebrant, and Kathleen Vereker.

December came, and with it the photographer to take the long awaited Senior pictures. Proofs arrived about two weeks later and exclamations were heard all over the campus.

In January several members of our class distinguished themselves by earning Distinguished Service Medals. These students were Dorothy Cooper and Leo Andrade. Earning Honor Award Medals were Edwin Gardner, George Grasso, Lorraine Wicht, and Evelyn Affonso.

In January we also ordered cards and announcements and new elections were held. It didn't seem possible that half our Senior Year was gone!

SPRING

The senior standing committee acts in the same capacity for the senior class as the student council does for the student body. They made the initial selection of announcements for graduation.

The standing committee combined with the juniors to bring about the success of the senior ball. They also did the planning for our graduation on the turf. The senior standing committee is composed of the class officers plus a number of other seniors who are chosen by the class president, chairman of the committee.

SENIOR CLASS

FRESHMAN YEAR

On the opening day of school in September, 1944, a mighty timid group of freshmen walked into the halls of S.R.H.S. These freshmen turned out to be the largest frosh class in San Rafael's history and also the best. The annual Frosh Reception went over with a bang as did every other activity that we, as frosh, had anything to do with.

Don Collins was S. B. Prexy for our first semester "inside the walls."

The Varsity Football team brought home a championship and topped it off by beating Tam 20 to 12.

We proved that we were the best class in school by winning a war bond drive contest. We benefited from the contest by winning the $85.00 first prize.

With the help of Mr. Tardy, Dot Simon, and Dot Cooper, we printed our own frosh newspaper, the "Green Pea."

During our frosh year San Rafael lost its beloved Major Cuffe. An assembly was held in his honor and all students wishing to attend his funeral were excused from school.

Three new organizations were formed. The Nu Beta Sigma or Music Club, the Rally Committee, and the Yell Leaders' School.

Bill Baglietto was S. B. Prexy during the spring semester.

The "C" track team, composed of frosh, came in second place in the N. B. L.

SOPHOMORE YEAR

It was a very different group of students who started their sophomore year from those that had begun their freshman year, meek and timid. All timidness had been replaced by bold confidence. Maybe you remember Nave, Sabbatini & Co. or better yet those twin terrors of the halls, Harry Thornton and Bob Thorsen!

Franco Guidici was S. B. Prexy during the fall semester.

The Varsity Football team took second place in the N. B. L. and whipped Tam 14 to 6.

Leo Andrade was elected class prexy and held the office for both semesters.

The Sophomore Class paper, the "Sophomore Buzz," was edited by Elmer Swanton, who did a grand job.

A hayride to McNears Beach was held in order that we might enjoy the money we earned as "frosh," selling war bonds.

We did all right in collecting old clothes in a drive to help the people of Europe.

Dick Caletti was Student Body Prexy in the spring semester.

We sold candy in the cafeteria in order to make some money for the class treasury.

Everybody remembers the horrible results of the various club initiations; especially the scalped members of the Sportsmen.

During the spring we had a small-pox scare and all the students were vaccinated.

We came in first in the San Rafael City School Bond Drive contest. The bond issue was passed.

Our "mighty mite" "C" track team brought home a track championship from the N. B. L. held at St. Helena. Those getting gold track shoes were: Rich Nave, Frank Sabbatini, Harry Thornton, Buck Azevedo, Orson Dee, and Bob Weber.

JUNIOR YEAR

Our junior year started off with an almost all-junior participation on the "B" football team and won the N.B.L. championship. Our Varsity team, after going through an extremely bad year, ended the season in grand style, trouncing Tam for the seventh straight year, with a score of 12 to 7.

Rich Guidici was Student Body Prexy for the fall semester.

Don Walling led us as Junior Prexy during the fall semester. Mr. Gulick was appointed adviser to the junior class, to continue as such through our senior year.

Our fall semester was a sad one, in that we lost Mr. James Haynes, a teacher whom everyone liked and admired, and two of our fellow classmates, Jim Hurt and Jack West, both through automobile accidents.

We helped in raising funds for the Searchlight by selling magazine subscriptions.

Dave Ford was elected Student Body prexy for the spring semester. We thought him to be one of our best and wittiest prexys in our school's history.

For the spring semester, Frank Fradelizio was elected to lead us.

Our senior sweaters arrived, pearl-grey and red, with a '48 block.

At the annual Barn Dance, sponsored by the Ra Ravas, a red model T was given as the door prize.

Dick Mathews, a prominent junior, won the N.B.L. tennis singles championship.

HISTORY

Under the direction of Dave Ford, our student body Constitution was revamped and brought up to date. Dave created a new student body office called the Commissioner of Social Affairs whose duty was to see that there was always something doing socially. Millard Everhart was appointed first commissioner.

The Ra Ravas went on a weekend snow trip to Soda Springs. After the trip was over, there were a few girls seen limping around the halls.

During the course of the year, the girls voted to do away with uniform sweaters and to wear colored sweaters.

Early in June, the Junior-Senior Prom was given by the juniors. It was held in the gym and was entitled Prom in Pastel.

SENIOR YEAR

When school opened on that eventful day in September, 1947, we found the student body under the able leadership of President Rich Nave. Our student body started operating under the new 1947 Constitution. Under this Constitution, the Student Council, a body composed of the student body officers and each of the class presidents, is the main governing body, the senate taking second place. So far, we think this new system has worked well.

George Grasso made a very capable senior class president in the fall. A noon dance was held by the class to boost its treasury funds.

The end of a favorable football season saw the valiant Bulldogs go down fighting before the league-leading Tam Indians; our first loss to Tam in seven years. The final score of the massacre was Tam 32, San Rafael 7.

The Tam-San Rafael Inter-School Relations Committee was formed and drew up a Constitution, with the purpose in view of bettering relations between the two schools, and to provide money to pay for damages to either school incurred in the past. The Tam-San Rafael Exchange Dance held the night following the Big Game was one of the projects sponsored by the committee.

Eight seniors were chosen to take the Pepsi-Cola Scholarship examination in December. Those chosen were: Christine Christensen, Ed Gardner, Harold Hildebrant, Wayne Kennedy, Dick Mathews, Julia Rice, Kathleen Vereker, and Jensen Young.

The Block "SR" was reorganized through the efforts of Mr. Miller. Don Walling was elected prexy.

In December, eight representatives of our student body went to Santa Rosa for the North Bay League meeting that was held there.

The class of '49 decided to have green and white as their senior colors.

Christmas was saddened as far as San Rafael High School was concerned, for on that day our beloved gym custodian, Mr. Ray Hill, passed on.

In January the Sportsmen started the leap year off right with a turn-about dance.

Lloyd Smith was elected spring student body president after a hotly contested election which the student body decided was run off illegally. A re-election was held, and the results were almost identical with the first results.

The best dance of the year, at this writing, was the annual formal "Cotton Ball," mutually sponsored by the Ra Ravas and the Les Couts, and held at Masonic Hall.

Ed Gardner was elected president of the senior class for the spring semester.

Our "B" basketball team won the undisputed championship of the North Bay League. The championship first string was composed of the following seniors: Frank Sabbatini, Jack Vallee, Rich Nave, Leo Andrade, and Charlie Huddleston.

A Cleanup Committee was formed to improve our grounds.

A panel discussion that turned into a debate was held before the student body twice on the question: Is a student court necessary in San Rafael High School; and, if so, how will it work? Those participating in it were: Student Body President Lloyd Smith, chairman; proponents: Ed Gardner, Wanda Duncan, and Jane Shields; opponents: Clyde Bradley, Bruno Franchetti, and Ray Reed.

On Monday, March 15, the halls of S.R.H.S. were nearly deserted as a great majority of the students went to San Francisco to see the Freedom Train.

The Junior-Senior Ball was given under the auspices of the San Rafael High School P.-T.A. Bill Hunt, Junior prexy, and Ed Gardner, Senior prexy, were general chairmen for the ball.

Our Senior Class, differing from all previous senior classes, will be the first class to graduate on the turf. We leave with the threat of the draft and the possibility of war hanging over our heads.

To you, the new up-and-coming seniors, we leave the responsibility of holding up the reputation of S.R.H.S. and we wish you the best of luck. If you follow in our footsteps, you can't miss!

In spite of our being glad to graduate, we leave "ye olde" institution with lumps in our throats and aches in our hearts.

JUNIOR CLASS

FALL

A class election was held at which time Bill Reece was elected president. The other officers were: Delos Jones, boys' vice-president; Muriel Cunningham, girls' vice-president; Dick Reece, treasurer; Eldean Hazelton, secretary; and Marion Dee, yell leader.

The first meeting of the fall semester was called to discuss Senior class sweaters. Representatives of Albert's Department Store were present with samples. Colors and costs were discussed. Afterwards a vote was taken and green sweaters were decided upon. The sweaters, which arrived a few weeks later, were the highlight of the fall semester.

The officers did a fine job at representing the junior class in the school.

SPRING

The junior class started off the spring semester as customary by electing officers. Bill Hunt was the class' choice for president.

In order to raise sufficient funds for the class' future activities, and with intentions of purchasing a memorial for Mr. Hill, the class sponsored a fun-night. This fun-night took place in both of the high schools' gyms and consisted of dancing, having a good time, and playing games such as ping pong, bingo, cards and other games.

The main activity undertaken by the junior class this year was, of course, the Junior-Senior Prom. The plans for the prom were planned and carried out by the Junior and Senior Standing Committees and were conducted under the auspices of the P.-T.A. It was and has always been a huge success.

The junior class is greatly indebted to Miss Bolton, our adviser, for the splendid job she has done in helping us to carry out our activities.

FALL

On January 26, we elected spring officers. Joe Serna was chosen as president. As soon as representatives were elected, sophomore council meetings were held. As a means of increasing our treasury, we decided to have cake sales. Plans are being made for a class party as soon as our treasury is large enough.

As always, the sophomore class will leave its mark in spring athletics with members participating in baseball, track, and tennis.

Again this semester, many of our classmates have been outstanding in the Scholarship Society and on the honor roll.

SPRING

The sophomore class started the fall semester with Clyde Bradley as prexy. Under Clyde's able leadership, and the advisorship of Mr. Day, the class was organized and regular meetings held.

The plans for the sophomore sponsored talent show were dropped due to conflicting activities. Shortly before Christmas, a nameless paper was published under the editorship of Shirley Patrick. As the result of a contest it was named "Wise Fool" which is the literal meaning of "Sophomore."

The class participated actively in athletics and scholarship, with twenty-one on the football teams and seven on the Varsity or Lightweight basketball teams. Elizabeth Todd, Ramona Vierra, Dallyce Ruhlman, Barbara Ann Simmons, Frosty Wright, Jim Poy, and Clyde Bradley were in the Scholarship Society.

FRESHMEN

FALL

The freshman class started out by electing Jerry Miller as president. Two representatives to the Freshman Council were chosen by each freshman orientation class. Patty Lou Fahrner served as chairman of the Publicity Committee and her committee started the paper, the "Green Pea." The Social Committee, under the chairmanship of the Girls' Vice-President, Carol Walling, planned a dance, but it was postponed until next semester. The Round-Up Committee, with Boys' Vice-President, Doug. Fox as chairman, planned to give noon movies, charging ten cents admission. In January, yell leader Virginia Orr held a rally to feature freshmen athletes. Regular weekly meetings of the Freshman Council were held and a class Constitution was adopted. Treasurer Mervin Hill reported a balance of $10.04 in the treasury at the close of the fall semester.

SPRING

Elections were held at the end of the fall semester. Herb West organized the class the first week of the new semester and appointed working committees. Tom Cagwin had his Round-up Committee plan movies to raise money for the treasury. "The Law of the Wild," a serial in twelve installments, was selected for this purpose. Jack Seely was kept busy collecting movie tickets at the door and Virginia Fracchia was busy banking all the profits of the class. "The Green Pea" was published monthly under the new editors, Bob Mayo and Peter Heims. Jerry Miller's committee is planning a party to be held later in the semester. Mae Wong is planning to organize a freshman rooting section for baseball games and track meets.

ORGANIZATIONS

STUDENT BODY

The fall Senate was headed by our Student Body President, Rich Nave. The 32 senators were elected by their first period classes. The student body officers and the four class presidents made up the rest of the membership.

The Senate is an organization that discusses problems that concern the student body, and then submit their ideas to the Student Council, but they have no vote in student body affairs except on amendments.

Starting off the year, Ed. Gardner introduced an amendment to the Constitution, restricting the use of school colors to athletes only. Discussion on this amendment carried over until the spring semester when it was voted on and passed by the student body. Among the more important problems discussed were: the Freshmen Reception, Old Rag Drive, Student Body Finances, the selling of magazine subscriptions, the Red 'N' White, and the Senate picture for the Searchlight.

OFFICERS

Under the able direction of Student Body President Lloyd Smith the spring semester of 1948 was a memorable one. A Cleanup Committee was organized to keep the school grounds clean. Each club, organization, and group had a committee representative. Student Body elections regarding amendments to the school constitution were held in the first period classes to avoid confusion and save time. A trophy was purchased for the tennis team. Medals will be bought for the outstanding player of each year. Student Council minutes were published with the daily bulletin to inform students what the governing branch of their school was accomplishing. Jensen Young was the chairman of a committee organized to prepare rules for assembly conduct. For better relations between Tamalpais and San Rafael, a joint dance was held. Committees from both schools planned the dance.

BOYS' ORGANIZATION

The Boys' Org' has had a full year of activities.

The first of the year there was "Hello Day"; then each semester came the "Freshman-Transfer Reception" for the new boys, then "Cleanup Day."

At Christmas time the organization hung wreaths on all classroom doors, plus sponsoring the "Christmas Charity Dance." The profits went to the "Dogs for the Blind."

The boys' meetings for the year included judo experts from Hamilton field, a stage play by the Boys' Theater Arts, Coach Miller in a discussion of a new athletic award system and a basketball game was played, a movie of the Louis-Walcott fight, plus a singing duet, a magician act, and a discussion on baseball by "Seals" representatives.

The big event of the year is "Boys' Sport Night," in which championship boxing bouts are fought and medals awarded to champs.

The Ra Ravas were kept busy and happy this year participating in many social and school service activities under the leadership of Sharon Harner and Dot Cooper. The "March of Dimes Drive" in the school was carried through successfully under the club's sponsorship and was their most outstanding school service activity.

The club had a snow trip, fair day, barn dance, and the senior farewell party.

SPORTSMEN

During the past year the Sporsmen have been very active in school affairs under the leadership of Jim Baxter and George Grosso, their two presidents, and Mr. Jones, their adviser.

They directed all fire drills. They sat in special seats in the auditorium so as to be able to direct all assembly fire drills.

Through use of the public address system and posters, they built up school spirit before all football games.

The Sportsmen sold refreshments at all home basketball games and also at all S.R.A.A. basketball games.

The annual Sportsmen Frolic was held in the spring. As was expected, it turned out to be a great success.

The Sportsmen gave the first school dance of 1948. It was appropriately named the Leap Year Dance. This dance turned out to be the best sport dance of the spring semester.

SCHOLARSHIP SOCIETY

This year the Scholarship Society, Chapter 62N of the California Scholarship Federation completed several very worthwhile projects. During the football season the group sold refreshments at the home games to obtain the money for the various scholarships which we award at graduation.

The fall semester officers and new members were inducted at an initiation-installation party which was a great success. Dorothy Good was awarded her life membership pin which she earned at the end of the first semester of her senior year. During the spring semester we attended the District 15 Convention at Tam, and representatives were present at the Spring Conference at Chico State College.

ALPHA KAPPA

The Alpha Kappa started the year outright by installing a senior bench in the art patio with money raised by sponsoring cake sales.

Next came the initiation, with the old members supplying the dinner and the initiates providing the entertainment.

The annual trip to the city was held during the Easter vacation. This consisted of lunch and then the musical, "Oklahoma."

This year, the Alpha Kappa and the Nu Beta Sigma sponsored a joint dance, the theme being "Ballerina."

The last big event of the year is the traditional Senior Farewell, which is usually held at Mrs. Lewis' home in Bayside Acres.

MUSIC DEPARTMENT

The students of the Music Department of San Rafael High School have been very active in school events this year. They have participated in assemblies, given concerts for the public, sung in the halls at Christmas and journeyed to San Francisco to give a Christmas concert there.

This year, May 22, 1948, they will sponsor and participate in the annual Bay Counties Spring Music Festival. This festival will be held on our football turf. Twenty high schools will participate in this big affair, and we expect nearly 800 students to attend.

For their hard work all year, we have a beach party planned sometime in May for the whole department.

At the end of the year is graduation, at which time most of the music department performs. When September rolls around again, we'll all be anxious to return and pick up where we left off, to make our Music Department bigger and better than it has ever been before.

Our president for the first part of the semester, 1947-1948, was Betty Reitinger, and Wally Steele succeeded her in the spring.

We took in nine members this year. We gave a joint dance with the Alpha Kappa and also gave our annual dance, the "Hop."

In February, thirteen of us spent a weekend at Soda Springs.

This year we are to sponsor the Annual Bay Counties Spring Music Festival.

The San Rafael Varsity, although rated underdog prior to most of its games, gave many a spectator a thrill when it threw a scare into some of the better teams in the league.

The Bulldogs opened league play by losing to Napa.

Then it started. Vallejo, favored over us, was held to a tie in a terrific game. For his bang-up playing, Jim Baxter made first string berth on the Vallejo All-Opponent Team.

Santa Rosa, last year's champions, saw the Red 'n' White team come within five points of winning as time ran out.

Analy was beaten; and then Petaluma, also rated superior to us, was beaten 14 to 0! This game showed good line play by the Bulldogs. Rich Nave's spectacular play in this game earned him the title "All-League" by the coaches' choice.

Tam finally broke its losing jinx by beating us in the last game of the year.

Rambler Football

Behind the coaching of B. J. Simontacchi and assistant coach J. D. Fink, the San Rafael Ramblers finished the season with a four win, two loss, and one tie record.

Featuring a medium line and a light backfield, the Bullpups started off with a loss to Calistoga. Soon to recover, though, the team went on to a five-week, no-loss streak. During this time they tied one game while winning four.

San Rafael lost the "Little Big Game" to Tam.

The starting line-up during the season was: Jim Dagnall, le; Bill Maldonado, lt; Bill Smith, lg; Fred Caso, (Capt.); Ken Kennedy, rg; Joe Hettema, rt; Harold Weber, re; Larry Wong, q; Don Azevedo, lh; Bob Schilling, rh; Dick Reece, f.

VARSITY BASKETBALL

With the coaching of Bob Smith behind them, the San Rafael Varsity squad worked up to a three-way tie with Napa and Tam to end the league season.

While Bob Antonioli was busy averaging 10 points a game, George Grasso and Dave Stewart were taking their share of points. The two guards, Bill Russell and Bob Thomas, were showing some fine backboard control on defense and at the same time plotting a few buckets.

Here are a few statistics of league play that are of interest:

	Foul Shots Taken	Percentage Made	Total Pts.
Antonioli (f)	16	75%	60
Grasso (Capt.) (f)	24	58%	32
Stewart (c)	12	42%	23
Russell (g)	14	64%	27

Lightweight Basketball

"B" CHAMPS! Yes, after more than a decade, a San Rafael team finally "brought home the bacon."

Coach Paul Miller led the Bullpups through a no-loss league season to an undisputed basketball championship of the N. B. L. Lightweight Division.

After losing several practice games, the Red 'n' White Cagers finally got rolling and went through a successful season.

The starting five for most of the season was: Jack Vallee (Capt.), and Frank Sabbatini at forwards; Charlie Huddleston at the pivot post; and Leo Andrade and Rich Nave at the guard spots.

Of the reserves who saw action, Bob Schilling, Frank Tovar, and Dick Levy were the standouts.

The first practice was called by coach Robert Smith, Thursday, September 9, 1947, with a turn-out of 33 boys for the casaba season. After several weeks of practice on fundamentals and passing drills, we played our first practice game with last year's class "C" basketball team, losing by two points. With this start and several more practice games, we entered league competition against Santa Rosa, Analy, Tamalpais, and Petaluma. We lost two heartbreakers to Santa Rosa and Analy. However, we beat Petaluma and our traditional rival, Tamalpais, by a score of 23-18. Carl Wehrli did a fine job as our manager. Jerry Miller was elected captain and was high point man for the season with 56 points. Runner-up was Jim Vickers with 27 points. The team that started in most of our league games included: Jim Vickers, Ken Kopp, Jerry Miller, Herb West, Bob Le Fevre, Tom Cagwin, Bob Soldavini, John Hurt, John Villa, and Ed Williams.

The season ended successfully with our victory over Tamalpais.

TENNIS

A minor sport that is fast becoming a favorite with a lot of the students of San Rafael High School is tennis. A lot of new faces have appeared on the courts this year to try out for the squad, but though some didn't make it, they had fun competing among themselves and with some of the so-called "gunners" of the team.

The team suffered a real blow this spring when its N.B.L. first single champ, Dick Mathews, moved away. Many of the members of the team looked with greedy eyes toward that position, but it looks as though Wally Steele will be filling Dick's shoes this season.

The tentative lineup for the rest of the squad is: Sheriden Cannaday at second singles and Lloyd Smith at third with Don Bertucci and Allen Hoffman at first doubles, and Harold Hilderbrant and Don Ronsheimer at second doubles. The rest of the squad consists of Gordon Blumenfeld, Kenneth Money, De Los Jones, Wayne Kennedy, Jack Parkins and Jack Stevins.

Coach Hines says that what the team lacks in skill and experience they make up in sportsmanship. They take a win as though they were used to it, and a loss like men.

The San Rafael baseball nine opened league play by sitting around idle for two weeks! Yes, because of a little precipitation, the S.R. ball players were forced to postpone their first two league tilts. The 1948 pastimers will long remember this year by the wet diamond and games being postponed because of the rainy weather.

At the time that this was written the varsity hadn't played a league game, but with seven out of nine first stringers returning from the 1947 squad, the season's outlook was pretty good.

Coach Miller had the makings of a strong ball club when Dick Levy, George Grasso, Leo Andrade (captain), Bob Schilling, Bill Russell, Jim Baxter, and Gordon Quilici (all part of the 1947 team), turned out for the first practice. With Bob Thomas, Don Azevedo, Ted Fahrner, and others filling in the vacant places. San Rafael looked like a sure bet for other N.B.L. contenders to wrestle with for the league championship.

The most important event of the year for the Tumbling Club was the presentation of the annual Minor Sports Carnival in November. This year's exhibitions featured springboard, trampoline, and ground tumbling, besides contests in wrestling, boxing, and rope climbing. The show provided spectacular entertainment for all, as well as raising funds for the spring snow trip. The club also presented a springboard exhibition at Forest Knolls and a trampoline act at an Optimist Club show. Two of the club's members also participated in a trampoline act along with the former world champion tumbler.

The annual snow trip took place early in March at the famous Sugar Bowl in the Sierras.

This year's Tumbling Club, consisting largely of new members, has made a great deal of progress under the able leadership of its adviser and instructor, Mr. Fred Hines.

The 1948 track team (swimming team, that is) was affected by spring downpours.

"The rains came," and Coach Simontacchi went to the office to telephone that another track meet had to be cancelled. One ray of sunshine assured the coaches that such cindermen as Rich Nave and Jim Heidinger (co-captains), Frank Sabbatini, Bob Weber, Ed Gardner, Dave Stewart, Bill Riegelhuth, Orson Dee, Dick Marowitz, Joe Serna, Bruno Franchetti, Bob Thomas, Jim Law, Dick Reece, and others were ready and eager to start training as soon as the rain would stop. Larry Wright, Charles Lautrup, and Allen Simontacchi were Coach Gulick's headers in "C" track.

At this writing the sub-league meet is only one week away, but even though their practice has been hampered by rain, the track teams are sure to make a good showing at both the sub-league and league meets.

Dear Ramona,

Well, it has taken us long enough to sign the books but then "better late then never."

There have been a lot of times when I wasn't as thoughtful as I could have been!! And there were more times when I shouldn't have said things--- But to me they are by gones--- We all "profit" from mistakes and believe me I have profited from!!! them!!!

So, that's why in this coming year I'm going to try and be a lot different. There have been many times I've said that but this time I really mean it.

Have a real super time this summer!

Your very best friend

P.S.
(Thanks for getting me through Algebra!)

To Ramona

Although I've only known you these two years, I have had the highest opinion of you. You are one of the few sincere and thoughtful girls that I know. I hope to see you around here for the next two years. Thanks for the help in Latin II. "Die Besten Glückwünsche!" "Zu einem guten Mädchen. Ich wünsche die besten Glück im Leben!"

Dear Ramona,
although I've only known you a year it's been knowing you. I admire your ability to stick to your homework and get straight "A's." I want to wish you the best of success in everything you do.
Lots of Luck
Donna

Dear Ramona,
Although I've only had you in my (Music IV) history class, I've enjoyed it very much. You've been a swell kid to have in my class, and I hope you have a successful career in anything you do. I don't have your address, but I'll write you next year. (Study hard!)
Best of luck in the future.
Sincerely,
